Dear Greg:

I have made only a few revisions in the fifth draft of your request for RFK documents. I have two additional changes in mind. The first is to mention in the first paragraph that you are also represented by Teeter. I think I should give his office address and phone number, too, so if you send this information, I will have it incorporated in the first paragraph.

The second change is to reword the first sentence of the second paragraph on the first page to read "On behalf of our clients we request. . . ."

If you have any further comments, drop me a line. I will be in Illinois next week, but will be back at work on the 26th.

Best regards,

Jim Lesar
